

WHAT ARE WE FOCUSED ON?

TECHNOLOGY
SUPPLIES

FANS
SERVICE

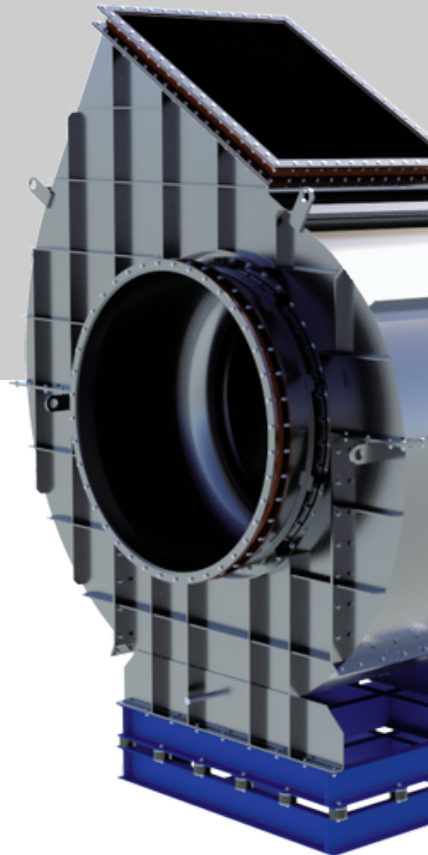

DESIGN
OFFICE

WHAT WE OFFER?

- ✔ Custom-made design of centrifugal fans using software developed by us.
- ✔ Service of fans of all other manufacturers to ensure reliable operation and minimizing failures.
- ✔ Along with our own products, we are also offering the services of our design office for your projects.

WHY TO CHOOSE US?

- ✔ more than 20 years of experience and development in the field of industrial fans and exhausting systems.
- ✔ more than 2,000 heavy duty industrial centrifugal fans supplied to the global market.
- ✔ ability to adapt to specific requirements of our clients and to create solutions for specific situations.
